

MARCH 18 - 19

Georgia World Congress & Exposition Center

This is a must attend meeting !

“Truck Frame & Axle Repair Association” (TARA) spring meeting is being held in conjunction with “TMC”.

If you are in the business of Truck Collision repair you will not find a better educational experience than the TMC.

If you never attended a TMC event, your missing all the information and networking made possible and available in just one location.

TMC is the largest event in the trucking industry. Attendance at a meeting runs into the 1000's and TMC continues to be the Industry's hotspot for showcasing technology.

“TARA” members have joined forces and is in the start-up stages of the new “Collision Repair” Study Groups. If you repair trucks, this is a must attend event.

**KNOWLEDGE IS
POWER**

**Trucking industry
Experts**

**Learn from the
Engineers**

**Meet with Fleet
Owners and
Maintenance
managers**

**Meet the OEM's
solve your issues**
